124 Years of Goldhanger Parish Magazine

There has been a Parish Magazine since 1895 when the Revd. Frederick Gardner started it shortly after being appointed Rector at Goldhanger. In all those years there have only been a few breaks in publication, most notably during both World Wars.

Model-T Fords struggling up Market Hill

In the first part of the 20th century Old Rectory Farm, also called Church Farm, prospered by growing apple, pear, plum and greengage trees. Charles Page, the farmer had a reputation for innovation and applied his engineering skills across the business. He developed his own bottle-washing machine using wind power and water from his own well to produce plum and greengage jams commercially.

He was said to be the first person in the village to own an automobile and acquired several Model-T Fords to deliver his produce to customers and make regular deliveries to the West Station goods yard in Maldon. This involved going up Market Hill, however early Ford Model-Ts could not make it up the hill when fully loaded, so they had to go up backwards! Two reasons have since been given for this phenomenon: the vehicles had a reverse gear ratio that was lower than first gear, and early Model-Ts had no mechanical fuel pump so with the petrol tank at the rear the fuel didn't reach the engine on a steep hill going forwards when fully loaded. The Model-T was developed in Detroit, Michigan which is very flat with no hills.

Charles Page later converted his Model-Ts into crop sprayers, one of which can be seen in this month's cover photo.

This piece of local history has recently been corroborated by a similar recollection... When Osborne's buses first started taking local school children to Maldon they too had Ford Model-Ts with the same problem. Their solution was to ask the pupils to get out at the bottom of the hill and walk up. The bus drove up empty and the children re-joined it at the top.

Goldhanger, Lt Totham & Tolleshunt Major August WI Meeting 2019

Our August meeting speaker was Janet Brewer whose knowledge of Egyptology was very interesting. Janet has done various talks to organisations on her knowledge of the Ancient Egyptian language & is also Secretary of the Essex Egyptology Group in Witham.

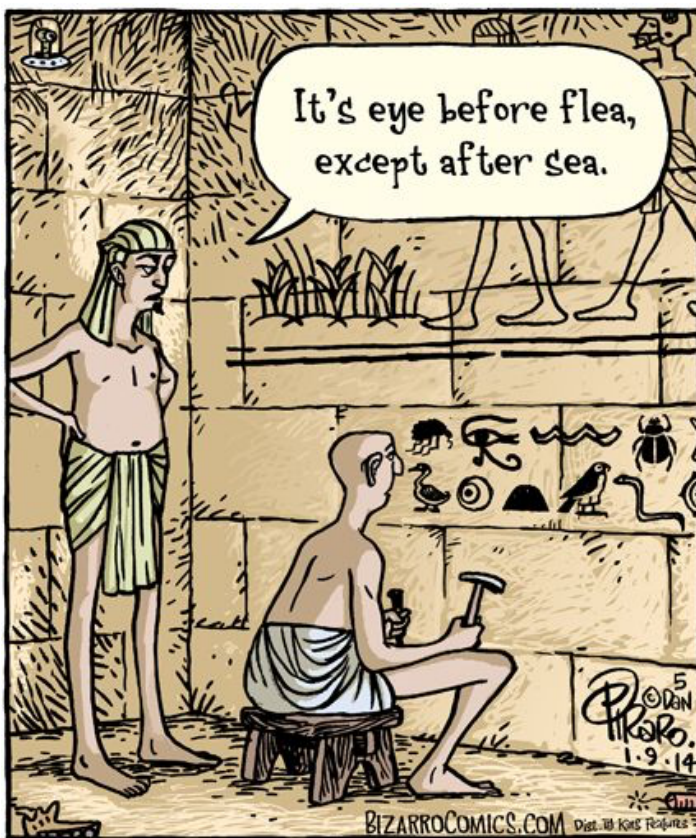

Her powerpoint presentation explained many of the hieroglyphics and also showed us that the Egyptian language is very complicated. Depending on the positions of the Cartouches, and the fact that the language can be read from left to right or the opposite direction or even up or down the page it was not an easy one to master. Janet gave us the opportunity to write our name in

hieroglyphics and then walked around the group to see if she could tell us what our names were just by looking at our attempts of writing our own names. In a lot of cases she was able to decipher the names, which was quite surprising given the difficulty of it.

As it was the middle of the peak holiday season, the group of WI members was not quite as large as normally attend WI each month, but we all had a lovely time and as the lovely ladies who were on cake duty that month had catered for the masses - several of us had second helpings of cake !! Every cloudetc etc!!

Our speaker for September is Marian Pettet from Chelmsford Ballet Co who will talk to us about some of their productions from the past and also what the future holds.

We look forward to seeing all existing members and any new ladies on the first Wednesday of any month to join us.

Goldhanger, Lt Totham & Tolleshunt Major September WI Meeting 2019

At our September meeting Marion Pettet gave us a very informative talk about her role with Chelmsford Ballet Company, concentrating on costume and costume making for the stage, and all the little tips that could be used to use costumes over and over again if need be with a few adjustments to seams and gussets to make things bigger or smaller.

Marion gave us a Powerpoint Presentation together with some costumes to look at and admire the handiwork, which in some cases, had resulted in metres and metres of tulle to achieve the look that was required for productions.

Sandra gave a glowing report about our Race Day at Chelmsford Race Course which had been well attended. We will be supporting the Gala Weekend in the village early September, and members were asked to volunteer cakes for this event if at all possible.

Some of our members and friends were to attend the Tina Turner musical in October & the Annual Dinner is to take place in November for our members at The Chequers.

Our new Facebook address is Goldhanger, Little Totham & Tolleshunt Major W.I. please take a look at it!!

Goldhanger Bell Ringers need your support

We need to raise up to £10,000. The bells of St. Peter's last had a major overhaul in the 1950s. The bells and infrastructure now require some tender loving care to keep them in good order and ringing for many more years to come.

Fundraising events to come.

Watch this space for more information.

Goldhanger Open Mic

August's inaugural monthly Open Mic at the village hall was a great success. There were 12 performers (individuals as well as duos) and 8 members of the audience, which for a new venture wasn't too bad. There were performances of varying styles of music - folk, country, pop, self-penned and everything in between, as well as a hilarious skit about the huge numbers of nail bars now open in Maldon.

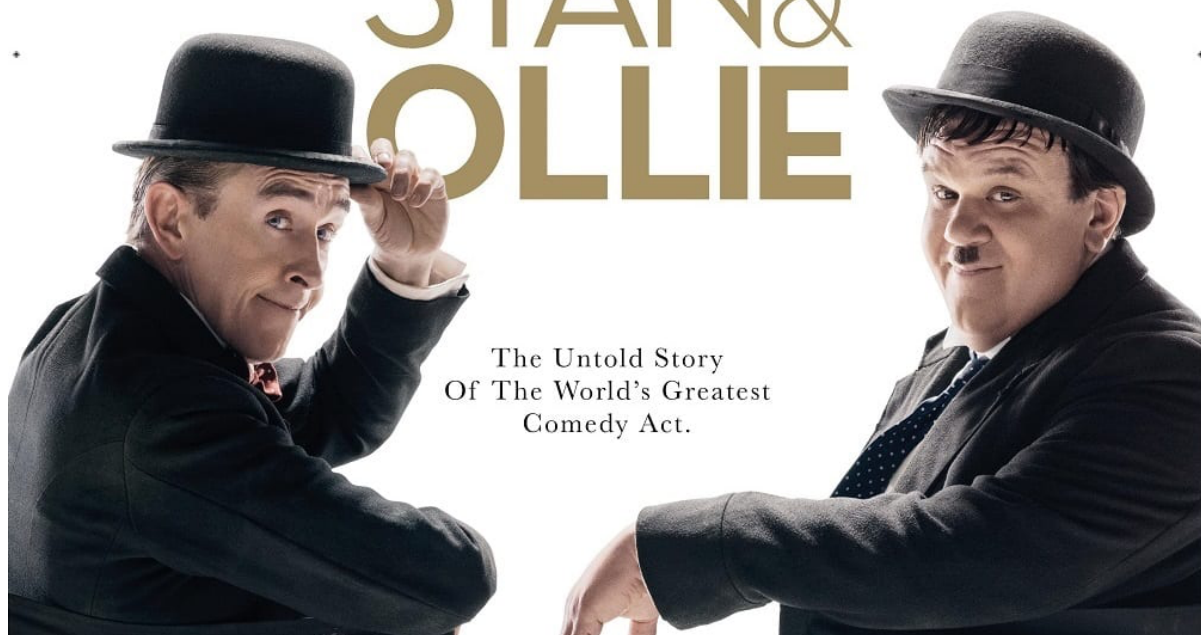

The next Open Mic will be on the 23rd October from 7pm till 10pm. Entry is just £3, bring your own drink as glass.

It is a great night out with live music from amateur as well as some professional guest performers and whether audience or performer we would love to see you. Please go to (and hopefully like) 'Goldhanger Open Mic' on Facebook for more details and to see some video clips of performances.

Village Hall Opening Ceremony – Sunday 25th August

It was village life at its best in Goldhanger on Sunday 25th August, a beautiful day and a grand turn-out from villagers and our funders in celebration of the completion of our Village Hall improvements. The ceremony started with a welcome from chairman Anton Jermy and resident Dorothy Chaplin cutting the ribbon. Dorothy was present when the foundation stone of the original hall was laid in 1937 and has been a supporter of the Village Hall all her life. As the crowds flowed through the new spacious and sunlit entrance foyer, filling the bunting-clad hall, Chris Joslin (Improvement Project Manager) gave an uplifting thank you speech to our funders, our community and to Dorothy who was presented with a bouquet of flowers.

Aquanera the contractors had a special gift for little Ren Harris, a three year old neighbour of the hall, who had also been 'project managing' the works on a daily basis, especially checking that the digger was working. Ren couldn't make the opening ceremony but was presented the next day with a Bosch toy set including chainsaw, hard hat, ear defenders and gloves. You can see Ren showing off his building kit in the photos below.

When the speeches were over Dorothy cut the celebration cake, which Barbara had made from no less than 4 cakes! Along with this and a bumper selection of other home made cakes there was plenty to keep us going. Thank you to all the cake makers and helpers. The Four Blokes band (actually two blokes and two ladies!) entertained us with their cheery summertime music.

The Art Society had kindly loaned their display boards, so, with the help of David Newman (History Group) we were able to show photos and documents from 1936 to the present day, including the original hall and management committee, the many clubs, organisations and events that have brought our hall to life over the years, the 1995 improvements of the kitchen and toilets, culminating in a few progress photos of the 2019 improvement works.

In 1937 when the Village Hall was formally opened, there were 4 speeches each limited to 3 mins (by order!) ...well we didn't quite manage that but there was still plenty of time to enjoy the refreshments, listen to the band and take pride in what has been achieved.

Thank you to one and all for your ongoing support.

The 'new' Village Hall is now available for parties, meetings, clubs & groups and all social occasions www.goldhangervillagehall.co.uk.

Reward for Lost Bracelet

If anyone has found this bracelet or knows of its whereabouts, please contact the Parish Mag editors on 788369 or email us on parishmag@goldhanger.org.uk.

The bracelet is of great sentimental value to the owner and is irreplaceable.

It was possibly lost in the Hall Estate area around Tuesday, 23rd July, when walking the dog.

If anyone has handed it in, or knows of its whereabouts, a reward is on offer for its return. The picture below gives an idea of the unusual style.

Recipe of the month

Halloween biscuits

Prep **20 mins**

Cook **15 mins**

Makes **16 sandwiched, or 32 single**

200g unsalted butter, very soft

140g golden caster sugar

1 large egg yolk

1 tsp vanilla extract

300g plain flour, plus extra for rolling

100g raspberry jam (or use lemon curd or chocolate spread)

For the icing

140g icing sugar, sifted

Food colourings (optional)

Method

Heat oven to 180C/160C fan/gas 4 and line 2 large baking sheets with baking parchment. Put the butter, sugar, egg yolk, vanilla and ¼ tsp salt into a large bowl and beat with a wooden spoon until smooth. Stir in the flour to make a stiff dough, then shape into 2 discs, cover with cling film and chill for 10 mins.

With plenty of extra flour on the work surface and rolling pin, roll a batch of dough to the thickness of a £1 coin. Stamp out as many 7cm rounds as you can. In half of the rounds, stamp out 2 eye sockets with an apple corer, then use well-floured fingers to pinch the jaw shapes. Lift onto the baking sheets. Bake for 15 mins or until pale golden, then cool for 2 mins before lifting onto a wire rack.

Sandwich the cold biscuits together with the jam. Mix the icing sugar with 4 tsp water until smooth, divide into 3, then colour as you like. Put into piping bags, snip off the tips, then pipe spooky patterns and faces onto the skulls
